School-based H1N1 Flu Shot Clinics

WHO: School Children grades K-12

WHAT: H1N1 Flu Shot Clinic

WHEN: November 13, 2009

WHERE: Crestwood School District

WHY: School-age children are at increased risk of severe complications from H1N1 flu. School-based clinics help to protect a large amount of children quickly and affordably.

COST: FREE

PARTICIPATION: Voluntary

CONSENT: Required. Please fill out yellow consent form and turn in to your school by day of shot clinic. Form is attached and available online at www.co.portage.oh.us/h1n1.htm

PLEASE NOTE: Parents are not required to attend with child. Children 9 years old and younger should receive two doses given 4 weeks apart. Another clinic will be scheduled for those children. Another consent form will be required.

QUESTIONS: Please contact your school nurse. Information is also available on www.co.portage.oh.us/h1n1.htm. You may also call the Portage County Flu Info line: 330-672-6601.
